DESCRIPTION: This series contains an assortment of general correspondence along with letters, notes, press releases, brochures, reports, briefings and declarations that passed through the governor's office between 1976 and 1984. Subjects within this series tend to be small in volume but range across a wide spectrum of topics that pertained to Governor Matheson and his office. The section of documents labeled "miscellaneous correspondence" demonstrates the considerable number of individual, loose correspondence that passed through the governor's office during his administration. Specific topics of importance dealt with heavily in this series include flooding issues related to the Great Salt Lake, proceedings of the state legislature at different times, nuclear testing and waste disposal in Utah, the state/federal government standoff with John Singer, and water/land issues in the state.

ARRANGEMENT: This series is arranged by subject alphabetically, thereunder chronologically. Undated materials are filed at the beginning of topics.

RELATED RECORDS: For information on other correspondence belonging to the Matheson office consult series 1601 , CONSTITUENT CORRESPONDENCE, series 4466 , OUTGOING CORRESPONDENCE, series 4530 , FEDERAL CORRESPONDENCE, series 19268 , STATE CORRESPONDENCE and series 4532 , STATE AGENCY CORRESPONDENCE.
